INNOVATION PASSION KNOWLEDGE

Thornbridge Brewery is a collaboration of innovation, passion and knowledge. Our brewers come with a variety of experience but all share the same desire to make great beers. Using the flavours of the land their aim is to put the art back into the science they were taught.

This lager has been brewed by Thornbridge to celebrate the work of one of the UK's foremost urban artists, Kid Acne. Thornbridge has been a long term fan of Kid Acne's work and he of our beers - a match made in heaven.

KID ACNE

Brewing has forever pushed the boundaries of technology. At Thornbridge, we found a way to use it to harness our passion for great flavoured beer. This means no pasteurisation or filtration. No stealing of delicate flavour and aroma molecules. This is Craft Beer as it should be. A complex combination of all that makes beer great.

VIENNA STYLE LAGER 5%

Vienna lagers, named after the city they were originally brewed in, have become a classic style of lager but one rarely brewed in the UK. Thornbridge's take on the style is reddish brown in colour with a medium body, characterised by a malty aroma and slight malt sweetness. A twist has been added by late hopping with Amarillo and Tettnanger hops. After a period of cold fermentation the beer has been lagered for five weeks.

"We have done the waiting so you can enjoy the crisp fresh flavours, this is a beer best drunk as fresh as possible" says Head Brewer, Rob Lovatt.

Hops: *Amarillo, Tettnanger*
